Euroferries High Speed Cross Channel Service

Service Overview

Travelling with Euroferries is more than just another way to cross the channel; it's an unforgettable experience.

Euroferries is the leading fast ferry operator on the English Channel operating between the two ports of Ramsgate and Boulogne with its high speed catamaran 'The Bonanza Express'.

By focusing on speed, style, comfort and exceptional service we ensure your journey will be as rapid and hassle-free as possible.

Euroferries Terminal Ramsgate

Onboard Facilities

Once onboard passengers are free to explore the ship and make use of a wide range of facilities, including 3 bars, a 'tax paid' boutique, spacious lounges and outside viewing areas. Passengers who chose to upgrade to First can make use of an exclusive First Class lounge which offers an entirely new level of exceptional comfort whilst also providing passengers with the finest quality of at seat service.

Port Facilities

When you travel with Euroferries you can ease your way to and from the vessel with the minimum of fuss due to our dedicated terminals in both Ramsgate and Boulogne. Passengers are also free to make use of the lounges, restaurants, bars and 'tax paid' shops located in the terminals.

Terminal Access

Both of Euroferries Terminals in Ramsgate & Boulogne link directly into the national motorway networks. Access to and from the port is uncongested, allowing rapid journey times to other destinations.
